Image only measurements

Visible English values 0012, 123.45 and 0.0007. Distinguish O/0 and l/1 while reading this synthetic scan. The source has no hidden text layer. Every visible word must be checked on the rendered page, and Unicode transcription is a declared convention rather than recovered encoding.

$$\begin{bmatrix} 0 & -1 \\ 2 & 3 \end{bmatrix}$$

$$E = mc^2$$

Code	Value	Note
0012	0	

Measured cells
